

WHAT IS LIFELINE?

- 24-hour personal emergency monitoring system that allows you to call for help with a small button that you wear
- When you push the button, Info Line will enact your personal emergency plan. If you need professional emergency help, they will call paramedics or police for you.
- Helps residents to remain safely in their homes when they:
 - Live alone
 - Are an older adult
 - Are homebound
 - Have medical problems
 - Are recovering from an illness or injury

WHAT DO I NEED?

- You must have a telephone
- Complete an application
- Have Info Line install a Lifeline unit in your home
- Have at least 2 volunteer responders who have access to your home

WE'RE THERE WHEN YOU NEED HELP...

For more info about Lifeline, call **(330)762-0308** or **(800)944-0308**
