

CITY OF MACEDONIA
The Crossroads of Northeast Ohio
MEMORANDUM

Building/Engineering
Zoning Department

ROAD PROGRAM

Roads to be paved in 2017 are Barkdale Lane, Laurel Drive, Roseland Drive, Macedonia Commons Boulevard, Sioux Lane, Skyland Drive, South Skyland Drive, Summer Road, and Waters Drive. Spot asphalt repairs will be performed as needed on other streets throughout the City.

SR-8 RESURFACING

ODOT will be resurfacing SR-8 during the summer of 2017. This paving work will extend from Ledge Road to SR-82. The work is expected to take approximately 6 weeks to complete. More details concerning schedule and traffic patterns will be provided as soon as they are available.

NORTH WOODS SUBDIVISION

Work has begun on a new housing development located on Valley View Road, behind the Faith Fellowship Church property. A total of 84 new homes are planned for this location upon complete build out. Tree clearing activities are currently underway .

SIOUX LANE CULVERT REPLACEMENT

The City is working in conjunction with the Northeast Ohio Regional Sewer District to assist with funding for a complete replacement of the Sioux Lane crossing at Indian Creek. It is anticipated that this project will occur in 2017.

883 IROQUOIS RUN

The City is currently acquiring cost proposals for the house demolition and creation of the retention pond feature for 883 Iroquois Run. The Summit County Land Bank will perform the demolition of the house. The installation of the retention pond feature will be funded through the NEORS Community Cost Share Account.

STATE ROUTE 8 & GOLDEN LINK BLVD. ACCESS DRIVE

The City is currently working with ODOT and with the various businesses within The Crossings at Golden Link regarding installation of a new access driveway. This driveway is proposed to be located across the vacant land in between Chipotle and the Great Escape. This driveway would connect State Route 8 and Golden Link Boulevard. The driveway would be restricted to right-in and right-out turning maneuvers on State Route 8.

ASPEN DENTAL/STARBUCKS

Construction has begun on the new Aspen Dental/Starbucks building, located on the corner of Waters Drive and SR-82. Work is expected to be completed late in 2017.

VETERAN'S MEMORIAL PARK

Construction on the proposed Veteran's Memorial Park has begun. This park will be located on the corner of South Bedford Road and SR-82. The construction is primarily funded by the Veteran's Committee.
