

Congratulations to Employee of the Month

Susan Roganish

Susan joined the team at the Macedonia Family Recreation Center in 2013 as one of the facility's Tot Room Attendants and quickly became adored by all of the children who frequent the center's childcare services. Susan is a great team player and often steps up to fill various other roles within the Rec. Center as well. She thoroughly enjoys playing with the children at the facility and looks forward to seeing them in the Tot Room each morning. Susan also enjoys all of the people she interacts with on a daily basis, including patrons and fellow coworkers.

Susan was born in Northfield Center and attended the Nordonia School system. She stayed close to the area and currently lives in Sagamore Hills with her husband, Derek, and their family. She is a busy Mom of two children, who are also in the Nordonia School system, Lee Eaton and Nordonia Middle School. Afterschool sports and clubs keeps her in constant motion!

Susan enjoys taking mini vacations with her husband and kids to their family lake house on the weekends. While there, they enjoy kayaking together on the lake. They also like to wind down with a fire while roasting marshmallows!

The Recreation Department is lucky to have such a wonderful person be part of the Recreation Family!

Congratulations, Susan!!!
