## Chili's Macedonia in the Commons

### THE most successful Chili's in Ohio!

You know us for our fired-up favorites like our Big Mouth half pound Burgers, our Sizzling Fajitas, our famous Baby Back Ribs, our Cold Beers, and our award winning Margaritas.

You also know us from our support of the community and to the St. Jude Children's Hospital, see the picture of the Chili's Care Center in the middle of the St. Jude Campus.

Come in so we can treat you to our fast friendly service or you can call in for Chili's To Go.
