Application is made for permission to enter a City Right of Way as indicated and in accordance with the following conditions:

- That all work shall be done in accordance with City rules and regulations; shall be first class in every manner and subject to City inspection and to the approval of authorized officer of the City of Macedonia. All materials and work to conform to Macedonia's standard road repair details. The City may require flagging or police traffic control.
- All contractors must have current general liability insurance and be registered with the City, call 330-468-8360 for details.
- All excavations will be backfilled or steel plates installed to protect the public and workers if the final pavement is not installed immediately following the original opening.
- All work to be protected with bracing, barricades and lights according to OSHA regulations and the Ohio Manual of Uniform Traffic Control Devices. The applicant hereunder shall save the City and its agents harmless from any and all damage or injury resulting from the prosecution of the work.
- Road openings must commence within ten (10) days of the approved permit and the roadway may not be open for more than five (5) days. Access to drives shall be maintained.
- That the applicant waive any and all damage he may sustain by reason of the work allowed under this permit; and, further this permit not operate as a waiver of assessment for utilities constructed in City Right of Way upon which the premises abut.
- Notify the utility owner when ready to make utility connections and do not cover work until it has been inspected and approved. Contact OUPS at 1-800-362-2764 at least 48 hours prior to excavating.
- Contact the Cleveland Water Department at 216-664-2740 to coordinate water work permits / inspections.
- Contact the Summit County Department of Environmental Services at 330-926-2414 to coordinate sanitary sewer permits / inspections. Water and sewer service lines must be ten (10) feet apart or benched per the Building Code.
- The City must be present to observe storm sewer connections as well as the backfilling, compaction, and pavement / sidewalk replacement operations for all work within the Right of Way.
- Keep this permit on the work site. Provide 48-hour notice for all City inspections. Call 330-468-8360. Provide the permit number and site address when scheduling inspections.
- Failure to observe Permit rules may result in the remedy of conditions by the City at the applicant's expense.
- A bond or deposit in the amount of \$50/sq.ft. (min. of \$2,000) for asphalt roads and \$65/sq.ft.(min. of \$2,500) for concrete roads and main roads is required for each opening. Sidewalk bond or deposit shall be \$10/sq.ft. (min. of \$1,000). If unpaved, bond to be \$1,000. Flagging/police traffic control shall be at applicant's expense.
- Utility lines/conduits 2" in diameter and smaller shall be bored.
